STORY OF LITTLE ONES

SPRING /SUMMER COLLECTION

SUMMER CAMP

This season we are inspired by the classic summer themes and vacation mode. Caravans, palm trees, sea life, shoreline motifs and gender neutral stripes give the summer holiday feeling.

This summer we continue with our muslin collection and we added more styles. Due to its breathable nature, muslin became one of our summer wardrobe staples. Classic resort shirts, easy overalls, comfy unisex short sets, baby rompers and bonnets get updated with lightweight crinkle texture of muslin. Muslin styles are offered in both striped and solid colorways. Especially baby rompers with delicate embroideries and flouncy muslin crop set in trendy colors stand out as unique pieces.

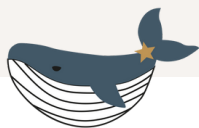

Modal and organic cotton blend ribbed retro sets, embroidered ribbed crop sets and worker overalls became indispensable parts of our collection because of the silky touch of the fabric.

This season we are introducing terry velour sets in vivid colors.

Deep blue, fresh mint and sand colors form the bases of stripes. Melon and fuchsia adds vibrance to the looks.

Throughout the collection loose and comfy silhouettes are important. Natural buttons and snaps are used for easy wear. Pockets add functionality to the garments.

Our color palette still has our signature mint, pink lilac, mustard and navy blue tones but it got even richer with lime, sky blue, salmon pink, petrol, melon, fuchsia, beige and lilac purple.
